The code of behaviour aims to promote the personal and social development of students and to ensure that teachers and students can work together in an environment, which is safe, orderly pleasant and productive.

Our focus in Beech Hill College is to promote positive behaviour in one or more of the following ways.

1. Positive written comments in Journal
2. Verbal praise from teacher or tutor
3. Affirmation of self-esteem.
4. Complimenting good behaviour, initiative and courtesy.
5. Acknowledging progress in class work and homework, not just achievement.
6. Rewarding students for improved effort or improved behaviour, using points system on "Vsware"

### School Rules:

- **Students are expected to be honest and well-mannered in their dealings with Staff and each other.**  
This ensures that a very healthy rapport exists between students and teachers.
- **Students are expected to work hard in class, make a sincere effort to do homework and contribute positively to the life of the school.**  
In doing this students achieve their full potential, help to create a stimulating learning environment and ensure the development of a fully rounded citizen.
- **Students should come to school every day, arrive on time for Tutorial/Assembly and attend all classes.**  
Attendance at Tutorial/Assembly is essential for school communication and shows respect for Teachers and fellow students.  
If late for registration students must sign the "late Register" in main office, complete a late slip and take it to their Year Head.
- **Students are not permitted to leave the school grounds in the morning before school commences, unless a note from a parent / guardian is presented to the teacher on duty.**  
We want to keep all of our students safe at all times during the school day and to encourage healthy eating in our school community.
- **Students may not be absent from class without prior written permission of class teacher, and absences from school must be accounted for on the day of return by completing an "Absence note in the Journal"** In exceptional circumstances students may leave school during the day, if a parental/guardian note is provided. In this case students need to sign out and be collected from the school.

Good attendance and punctuality helps everyone to do well and missed time is hard to make up.

- **It is compulsory to wear the Beech Hill College School uniform.** The school uniform is unique to our school, it should be worn with pride and respect with no alterations. A high standard of hygiene and tidiness is essential. (Reference: Beech Hill College Uniform policy.
- **1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year students are not allowed to go down town at Lunch-Time.** Lunch break is short and this gives students time to relax and socialise with other students while using our wonderful Canteen facilities or engage in extra-curricular activities in the school.
- **All students are required to keep the college and its surrounds litter free.** This ensures we have a clean environment to work and study in, and we take care of the facilities we have the privilege to use.
- **Students are not allowed to eat in class, unless there is a medical reason for doing so.** This is for health and safety reasons. Beech Hill College operates a Healthy eating policy.
- **The possession and/or use of prohibited substances including alcohol, tobacco and un-prescribed or illegal drugs is strictly forbidden on campus, while on any school activity off campus or abroad.**

This is a Health and Safety issue and complies with the law of the State. If anyone is found in possession of an illegal substance, parents/guardians and The Gardaí may be notified if necessary.
- **Use of Mobile Phones**
  1. All Mobile phones should be **switched off at the start of** registration in the morning.
  2. They are to remain switched off for the remainder of the day.
  3. Mobile phones are **NOT** to be used during morning break and lunch-time.
  4. Mobile phones **should not** be used in corridors between classes.
  5. **Mobile** phones and electronic devices **may only be used** in class by students under direct supervision by Teachers and for Educational purposes only.
  6. If a parent needs to communicate a message to their son/daughter during the school day, they are asked to phone the school office or the HSCL Co-ordinator and **not call** or text their son/daughter during the day.
  7. **The use of Photographic equipment and “Snapchat”, “instagram” or any other social media app on the school grounds or on school trips is strictly forbidden.**

This is to enhance the teaching and Learning in our school. It eliminates the distraction that phones can cause, reduces cyber bullying and is in keeping with Child protection and Data protection policies. We also believe it will encourage better social interaction and the friendship building Capacity of our Students.  
This will help to develop a resilient citizen with good critical thinking and interpersonal skills.
